SUPPLEMENTARY INFORMATION: This ICR seeks approval under the PRA for revisions to the Program Reporting and Performance Standards System for Indian and Native American Programs Under Title I, Section 166 of the Workforce Innovation and Opportunity Act (WIOA) information collection. The ICR covers Forms ETA-9084, Comprehensive Services Program, and ETA-9085, Supplemental Youth Services

Program. It also includes standard data elements for participants, the basis of the current performance standards system for WIOA section 166 grantees. Form ETA-9084 is completed by both tribal and non-profit private sector grantees. Form-ETA 9085 is completed only by tribal grantees. This information collection has been classified as a revision, because the agency is incorporating information collections referenced in the WIOA implementing regulations and to update Form ETA-9085 is to increase the age range for youth to twenty-four, in accordance with the WIOA. WIOA sections 166(e) and (h) authorize this information collection. See 29 U.S.C. 3221(e) and (h).

This information collection is subject to the PRA. A Federal agency generally cannot conduct or sponsor a collection of information, and the public is generally not required to respond to an information collection, unless it is approved by the OMB under the PRA and displays a currently valid OMB Control Number. In addition, notwithstanding any other provisions of law, no person shall generally be subject to penalty for failing to comply with a collection of information that does not display a valid Control Number. See 5 CFR 1320.5(a) and 1320.6. The DOL obtains OMB approval for this information collection under Control Number 1205-0422. The current approval is scheduled to expire on September 30, 2016; however, the DOL notes that existing information collection requirements submitted to the OMB receive a month-to-month extension while they undergo review. New requirements would only take effect upon OMB approval. For additional substantive information about this ICR, see the related notice published in the Federal Register on April 22, 2016 (81 FR 23752).

Interested parties are encouraged to send comments to the OMB, Office of Information and Regulatory Affairs at the address shown in the ADDRESSES section within thirty

(30) days of publication of this notice in the Federal Register. In order to help ensure appropriate consideration, comments should mention OMB Control Number 1205-0422.

The OMB is particularly interested in comments that:

- Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;
- Evaluate the accuracy of the agency's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;
- Enhance the quality, utility, and clarity of the information to be collected; and
